CHLOE

LA Dreams BIG

In Los Angeles, everyone has a dream! Chloe's dream was to be the first director to film a World Cup winning goal.

"Chloe, the lighting is perfect! It's time to go!"
Dad called.

They drove through sunny streets, passing palm trees that looked like giant fans. SoFi Stadium appeared like a giant, shimmering silver wave.

"The Infinity Giant" was the most glamorous stadium Chloe had ever seen! His skin was translucent, letting the LA sun shine through him.

The Infinity Giant gave a shimmering wink. His glass panels caught the light and turned it into a thousand mini-rainbows.

The Fan Zone was like a red carpet event! The air smelled like sea salt and fancy snacks. In LA, even soccer feels like a world premiere!

SoFi Stadium

Walking inside was like magic! The stadium had no walls, only a giant roof. "Did you know this screen is 120 yards long?" Dad said.

SoFi Stadium

The pre-game show was a masterpiece! Taiko drummers made the ground shake. A golden dragon circled on the Infinity Screen.

Then came the "Samurai Blue" — Team Japan! They looked focused and ready for their close-up.

WHISTLE! Japan vs Portugal! Japan moved the ball with incredible grace. Portugal was fast and flashy in their red jerseys.

A Japanese player made a "no-look" pass — *ZIP!*

The Infinity Screen showed a close-up of the skill. The crowd gasped!

DIRECTOR'S BOOTH

SoFi Stadium

Between periods, Chloe visited the "Director's Booth." She got to edit her own soccer highlight reel!

The "Golden Hour" arrived. The light was perfect for a hero's journey! The Infinity Giant made his roof glow like a white pearl.

Suddenly, Japan broke through! *Pass, pass, pass, KICK!* *GOALLLLLLL!* The Infinity Screen erupted in digital fireworks!

The tension
is amazing!

Portugal attacked with the speed of a Hollywood car chase! The Japanese defenders blocked every shot.

**That's the real
magic of the World
Cup — being a champion
means being a friend.**

Even though the game was intense, players showed sportsmanship. After a tough play, rivals helped each other up.

TWEET! TWEET! TWEET! Japan won 1-0! Chloe danced with the fans in a happy finale. The Infinity Giant blinked farewell.

As they left, Chloe looked back. "Today was a blockbuster, Dad! I'm going to make a movie about this stadium."

Back at home, Chloe was already "editing" her memories. She dreamed of a world where everyone was a star.

The cameras were off. The Infinity Giant settled into the Inglewood earth. Ready for more big stories in 2026.

Solhi Stadium

In her dreams, soccer was art and the field was a stage. Chloe was the director of the world.

The World Cup is coming to Los Angeles! Are you ready for your close-up?

The logo consists of a large yellow five-pointed star with a thick blue outline. Inside the star, the words "HOLLYWOOD" and "SOCCER" are written in a bold, brown, sans-serif font, stacked vertically. Below the text is a stylized soccer ball with black and white hexagonal panels and a brown outline. The star is set against a blue rectangular background with a speckled texture. The entire graphic is on a larger background with a vertical orange-to-green gradient and a speckled texture.

HOLLYWOOD SOCCER

Los Angeles is a city of creativity and inclusion.
2026 will be a world premiere like no other!

DID YOU KNOW?

SoFi Stadium is the most expensive stadium ever built. Its roof is held up by steel cables. It has the world's only double-sided video board.

****Fun Fact:**** SoFi Stadium is the most expensive stadium ever built! Its Infinity Screen is the only double-sided video board in the world!
